ACTIVE RESERVE CAREER STATUS

- **The Active Reserve Career Status Code will be zero'd out whenever an Active Reserve augments or reenlists with the Active Component.**

ROTC CORRECTIONS

- **This will create a new sequence of TTC 020 for the Naval Academy or Navy ROTC unit to join members of the Individual Ready Reserve (IRR).**

- **This will also add an edit to TTC 881 (Tr to Acdu for 31 days or more) to check the present grade against the reported Component Code and fail any mismatches.**

INIT JOIN/RS 9 & TRNCAT P MISSO 16/17

- **This will create a new edit to prevent Category P personnel from being joined to their unit with pay, vice without pay.**

- **Additionally, this will zero out Reserve RUC and Reserve MCC whenever a reservist transfers to Active Duty.**

SWIM QUALIFICATION

- **This project will bring MCTFS in compliance with the latest version of the Marine Combat Water Survival Qualification Training (MCWST) order (MCO 1500.52B).**

- **The MCTFS will be modified to post the appropriate requalification date.**

- **A utility will update existing requalification dates in MCTFS.**

TFAS SELF-CERTIFIED TRANSACTIONS ON WEB

- **This is the first phase of self service on the WEB.**

- **Some Record of Emergency Data (RED) updates and email address will be self service via the Marine OnLine (MOL) WEB site.**

- **The email address will post to a new remark on MCTFS. Providing an email address is voluntary on the part of the Marine. (Also reportable by UD/MIPS)**
  - 386 000 STRT E-MAIL ADDRESS _____
  - 386 001 E-MAIL ADDRESS REMOVE

TTC 910 MGIB-SR KICKER

- **This project will allow Higher Headquarters reporting of members eligible for the Selected Reserve Kicker.**

- **This will provide the capability of correcting any records with erroneous eligibility codes.**

MOBILIZATION ENHANCEMENTS

- **The format of the mobilization transfer will be modified by adding EAS to the input. This will be the ending date as specified by the orders.**

  - 826 000 MOB SEL MCC ___CMDMCC ___ **EAS YYYYMMDD** MDAY YYYMMDD

  - 826 000 MOB MCC ___CMDMCC ___ **EAS YYYYMMDD** MDAY YYYMMDD

- **The reported EAS date will post to EAS and ECC.**

- **Edits are being added to screen the Duty Limitation when the mobilization transfer is reported.**

- **The JOIN TR ERRON transaction will be modified to subtract erroneous Reserve Retirement Points that the original transfer credited.**

INCURRED OBLIGATED SERVICE (MAG/MCAF)

- **Two new fields are being added to track incurred obligated service for Marine Aviators.**

- **A code will <u>correlate to the aviator MOS</u> and a date will indicate the incurred obligated service.**

- **<u>Requests for retirements</u> will screen the date and MMSR will be advised of the incurred obligated service.**

Any Questions?
